Four Hurt In Two
Bridge Crashes; Car
Overturns In Accident

Eleven persons were injured in Quad-City area traffic crashes through today, including four hurt in crashes on the McKinley Bridge.

Several of the injured remain hospitalized. Collisions reported to local, county and state officers during the weekend totaled 25.

Edmund Vieth, 54, of St. Louis was treated at St. Elizabeth Hospital for cuts to his forehead after his car, heading west, collided with a traffic divider at the east end of McKinley Bridge at 210 a.m. yesterday. The car, with front end damaged, was towed away. A passenger, Pearl Lacey, 39, of St. Louis, received a cut over the left eye.

Two Hurt On Bridge
Two St. Louisans were severely injured at 2:35 a.m. Saturday when their westbound auto struck the McKinley Bridge superstructure at a point where it divides westbound traffic lanes. The front of the car was badly damaged, and the vehicle was towed to a garage.

Taken to St. Elizabeth Hospital, they were treated and transferred to Barnes Hospital, St. Louis.

The driver, Thomas Whitley, 31, suffered lacerations to the chin and left knee. His passenger, John R. Leonard, 34, received a large laceration to the upper lip, a laceration at the base of the nose and lacerations to the lower jaw.

Driver, Passenger Injured
Mrs. Leona Williams, 43, of 2039 Fourteenth street, was admitted to St. Elizabeth Hospital Saturday at 6:30 p.m. following an auto accident in the 2100 block of Monroe street. She was a passenger in a southbound car driven by her husband, Rouse, 52, who also was injured.

Police reported that the Williams auto struck the left rear of a parked car belonging to Billy Dixon, of 2161 Monroe, knocking the Dixon auto into the Dixon yard.

Williams was charged with leaving the scene of an accident and driving while under the influence of alcohol. He was released yesterday on \$127 cash bond.

Mrs. Williams is being treated for injuries to her face.

Car Overtakes, Driver Hurt
A West Alton man, Charles Schroeder, 20, was injured Saturday morning when his car overturned on U. S. Highway 67A near the A. O. Smith plant. Schroeder, who was treated at the local hospital for

Sister Petronilla, Hospital Nun 37 Years, Dies Sunday

Sister M. Petronilla Schuler, 84, died at 4:45 p.m. Sunday at St. Elizabeth Hospital, where she had served since 1925.

Born on Oct. 23, 1877, in St. Louis, she attended St. Francis de Sales her religious habit and later made her final vows at the Community of the Sisters of Divine Providence at St. Joseph Convent, East End, Pittsburgh, Pa., on July 28, 1908. Her training completed, she taught at schools in the Pittsburgh Diocese.

She began her nursing career at Pittsburgh's St. John's Hospital, and later served at Gadsden hospital in Alabama. In 1925, Sister Petronilla arrived at St. Elizabeth Hospital, where she first was assigned to the laboratory. She was placed in charge of the Obstetrical department in 1941, remaining there until 1951, at which time she was appointed to make daily rounds visiting patients.

Her 50th anniversary as a Nun was celebrated two years ago with a ceremony at the Motherhouse, Normandy, Mo.

She is survived by a sister, Sister M. Flavia of St. Mary's Hospital, Clayton, Mo., and several nephews and nieces.

Sister M. Petronilla will lie in state on the fifth floor of the hospital until 10 a.m. to morrow, when she will be sent to the Motherhouse, Normandy, Mo. Her nephew, Rev. Vincent Schuler, will conduct the funeral Mass. Other information may be found in the obituary column.

\$7150 Cut Proposed In Venice Twp. Budget

\$183,675 Tentative
Total; \$144,965 For
Relief Assistance

A \$183,675 budget for the fiscal year beginning March 27, 1962, and ending March 25, 1963, has been drawn up in tentative form by Venice township officials. Major reason for the proposed \$7150 decrease is a reduction in anticipated home relief costs.

The new budget, which was placed on display Friday at the township office, lists \$144,965 for general assistance, down \$9155; \$33,695 for the town of Venice, down \$1665; and \$5015 for the Illinois municipal retirement fund, up \$3170.

The \$80,150 proposed home relief expenditure in the general assistance fund includes \$70,000 for food, down \$5000 from the 1961-62 budget currently in effect, and \$5000 for fuel, down \$3500.

Boost In Retirement Fund
The scheduled township contribution to the retirement fund, \$4905, is \$3135 greater than the amount allocated a year ago.

In announcing the tentative appropriations, Supervisor Arthur W. Cooper, Moore and Town Clerk Thomas W. Foley said a public hearing on the budget will be conducted at 7 p.m. Tuesday, March 27.

Final action on the appropriation ordinance and adoption of a tax levy will take place at the annual town meeting at 2 p.m. Tuesday, April 3.

A breakdown of the new budget follows.

TILED STEEL girders of overpass under construction on Rte. 111 near Mitchell, indicates impact with which the truck hauling a large crane struck Thursday afternoon. Here, workmen dismantle the girders to free the truck and its cargo. Two days were needed to erect the steel, workmen at the scene said, and two days were necessary to dismantle it. Rte. 111 Reopened After Crane Upsets Girders On Viaduct

State Route 111 was reopened late Saturday after being closed to traffic between U. S. 66-40 and Route 162 for two days after a crane being hauled by truck from Granite City enroute to the Quad-Cities, it was announced today. The starting date is dependent on a road vantage point.

The large construction crane was being hauled on a "low-boy" trailer by a St. Louis trucking firm from the local Union Star & Refining Co. plant to the Olm Mathieson Co. plant in East Alton. It measured 14 feet, 10 inches in height, state troopers said; while the clearance of 14 feet, six inches.

The truck, traveling north, became wedged under the first of twin viaducts under construction several hundred yards south of U. S. Bypass 66-40. The concrete roadway on the viaducts has not yet been poured. There were no construction workers at the scene at the time of the accident. They were summoned to remove the damaged beams.

Mr. Gorbie, who resided at 3308 Johnson road, had been hospitalized three months and had been critically ill for two weeks. Death was attributed to arteriosclerosis and pneumonia.

Born in Hungary, Mr. Gorbie came to this country as a young man. He lived in Peoria and then in St. Louis, where he was employed as a baker. He moved to Granite City 49 years ago.

Mr. Gorbie and his wife, Elizabeth, opened their own bakery shop at 22nd street and Grand avenue in 1915, and operated it for 30 years at that location. After his retirement from the baking business, Mr. Gorbie became interested in real estate, opening the subdivision in 1953.

He recently joined St. Elizabeth Catholic Church, which he had attended for many years. He lived in Peoria and then in St. Louis, where he was employed as a baker. He moved to Granite City 49 years ago.

\$1,000,000 Motel Planned For Bluff Area This Year

Construction of an ultra-modern motor hotel costing in excess of \$1,000,000 is planned for this spring and summer in the bluff area immediately east of the Quad-Cities, it was announced today. The starting date is dependent on a road vantage point.

The administration building is to be located near the front of a 44-acre tract, with the residence structure adjacent to it. Later development of apartment buildings for permanent residents is being considered for the remainder of the site.

Completion by early fall is hoped for by Joseph H. Vetterli Realty and Building Co., 4531 North Lindberg road, Bridgeton, St. Louis county, which holds the franchise for Holiday Inn operations in this area.

Noted for the attractiveness of its facilities and the quality of its services, the Holiday Inn organization is associated with motels throughout the nation.

A building permit sought in August and issued in September has lapsed and is expected to be revised or replaced with a new permit, it was learned. The cost, size of the tract and other specifications have changed since the permit application was filed.

Hearing To Be Held
Vacating of a little-used Edwardsville township roadway across the site is being sought by Attorney Randall Robertson of the Vetterli firm, through filing of a petition with Road Commissioner Alfred Matyska. A 10-day notification period will be followed by a hearing on the proposal.

The roadway has not formally been accepted in to the township's road system but is within its jurisdiction, Matyska reports, adding that he will investigate whether a resident would be cut off from his home. Another road would be built farther east by the Vetterli firm.

Listing the motel construction for a nine-acre portion of the 44-acre site, currently owned by the Morris Investment Co., the Vetterli firm has asked the city of Edwardsville to furnish water amounting to 8,500,000 to 10,000,000 gallons a year.

Morris Realty Co. of Granite City has estimated a daily water need of 30,000 gallons for a subdivision proposed on 43 acres at the foot of Sunset Hill south and east of Bypass 66 and Route 157, plus land west of Bypass 66.

An obituary notice appears elsewhere in this issue.

Liquor Store Bandit Linked To A&P Holdup

Armed Man Obtains
\$151, Forces 2 To
Lie On Floor Friday

A bandit who obtained \$151 at the Madison Liquor Store, 327 Madison avenue, at 9 p.m. Friday has been identified by witnesses as the same man who held up the A&P grocery store in Granite City four nights earlier, police have disclosed.

In other weekend developments, four Granite City thefts were cleared by water-repellent material, a gray car coat and black "painted" shoes.

Handkerchiefs Cover Gun
At the liquor store, he used a blue sub-compact gun, holding it in his right hand with a handkerchief partly hiding it. He obtained the cash in \$10, \$5 and \$1 bills from two cash registers.

Eli Solomon, 45, University City, a proprietor, related, "When he first came into the store, he asked for a pint of whiskey and six cold bottles of soda.

"Then he pulled out the gun, said he wanted the money out of the cash registers and ordered us to lie on the floor. I gave him the money and we laid down between 24th and 26th streets, and walked out the front door."

James F. Hayes, 1747 Fifth street, who was visiting in Solomon at the time, told the Press-Record that the robber's words were "Open that drawer and give me the money." It was then that they noticed the gun, and Solomon complied with the request.

"He told me to stand still, and I did," Hayes said, adding that the bandit still seemed unsatisfied after obtaining the cash but left after Solomon said there was no more. Two other customers in a rear room, where drinks are served, were unaware of the holdup.

Stop Signs, Street Lights
The agenda for tonight's council session also includes presentation of an ordinance for stop signs at Leonard and Benton avenues, street lights at four locations proposed last week, a request for the Madison County Tuberculosis Association mobile x-ray unit to be placed in operation at the city hall on June 9, a request from Alnad Temple for a parade on May 5, a request from Illinois Power Co. for excavating both sides of Madison avenue from 27th street to 24th street and for installation of a new gas main at 24th and Center streets.

In addition, Lake school PTA is seeking city aid in solving school crossing problems, and there are routine matters, such as salaries for the first half of March, the bill list, township bills and monthly financial reports for the Nanticoke sewer accounts.

Hall attended to cash the check at Cook's Pharmacy, 500 Madison avenue, at 6:50 p.m. Saturday, after which the proprietor, Harry Cook called police. Hall was picked up a short time later in front of 401 Madison avenue, with the unopened

PUBLIC FALLOUT SHELTER survey plans are discussed by Willard Flogg, left, Edwardsville consulting engineer, and Earl Bloomquist, Granite City building inspector. Utilizing a city map, the two pin-point locations of buildings which might serve as public shelters in the event of a nuclear attack. Flogg is conducting the local survey under contract.

Making Survey Here of Possible Fallout Shelters

Work is expected to begin this week in Madison on an initial public fallout shelter survey, with the job already underway in Granite City and Venice and completed in Mitchell.

Manly L. Jackson, representing the Decatur consulting engineering firm of Homer L. Chas. and Associates, is in the area directing the work. The Decatur firm holds a contract for the survey with the U.S. Army Engineer District of Chicago.

Actual survey work in the Quad-Cities is to be completed by Willard L. Flogg, structural engineer, of Edwardsville, and an associate, Wallace Backus Flogg, has a sub-contract with the Decatur engineering company.

In the "Phase One" survey, the engineers are working closely with local Civil Defense officials. Instructions have been coordinated with the Illinois Civil Defense Agency and the Engineer District.

Jackson said the survey is primarily concerned with locating existing buildings which might be suitable for use as public shelters in case of an attack or other disaster. Three qualifications must be met by a building before it can be considered, he said.

Necessary Safety Factor
First, it must have a safety factor of 20. That is, it must offer sufficient protection that persons on the inside would be 20 times safer than if they were on the outside. Second, it must have a minimum of 500 square feet of usable floor space, and third, it must have an overhead clearance of at least 6 1/2 feet.

If the building meets these minimum specifications, Jackson said, a form will be filled out, noting such things as its window area, basement exposure, and overall construction qualities. He said in no case will a single family dwelling be surveyed.

The forms will show the exact location of the building, Jackson said, and will be forwarded to the Engineer District for further action. Eventually, decisions as to actual shelter locations will be made by Civil Defense agencies.

Population Study

In addition to the survey of buildings, the beginning study is designed to determine estimated peak day and night populations of each area. The 1960 census figures will be adjusted, allowing for industrial employment, school attendance and shopping habits, Jackson pointed out.

The Granite City survey, which began last Monday, is expected to take about three weeks for completion, while studies of Venice and Madison will take approximately a week each.

The Decatur firm is responsible for surveying 14 down-state Illinois counties, including Madison and St. Clair. All "Phase One" work is to be done under contract with the Army Engineer District at Chicago.

Tavern Partner Fined \$55 On Three Charges

Pleading guilty to charges of drunkenness, disorderly conduct and discharging an automatic pistol in the Jolly Mill tavern, 1200 Grand, avenue, Madison, Feb. 26, Jerry Cook, 29, of that address was assessed a total of \$55 in fines and costs Saturday by Police Magistrate John Braddock.

Cook, a licensee and partner in the tavern, was alone at the time the tavern and a nearby grocery store window were damaged. Reports have been filed with Mayor Stephen Macrae as liquor commissioner.

3 Bids Received On Convent Construction

Bid figures on the proposed St. Elizabeth Church convent have been announced Friday by Catholic officials of the Springfield Diocese.

All bids were under the original \$150,000 estimate of architects Gabriel & Dulgeroff. Bidders were G. H. Sternberg & Co., \$107,615; Tom Studebaker Construction Co., \$107,748; and R. Construction Co., Alton, \$112,940.

A final decision on the project, to be built near St. Elizabeth's school on Pontoon road, will be made by the Chancery office in Springfield in one to two weeks.

Schools Seeking Bids

Bids are being sought by the Granite City school district on library shelving, industrial arts equipment, small equipment for cafeterias, cafeteria kitchen equipment and printing, paper and duplicating supplies. The deadline is 4:30 p.m. Tuesday, March 13.

gram calls for a lesser expenditure of \$2,625,000, or \$1.12 a month for average household.

In addition, the citizens group is recommending to the city a minimum program to provide adequate drainage sewers to take advantage of the interceptor sewers, which would be of little use without them.

The cost of drainage line construction would be \$2.28 a month per household in the areas to be served by the lines. (At present, the Nameoki area has separate sanitary sewers and the citizens committee proposes cutting the \$2.50 monthly charge for sanitary sewer rental to match the \$2.28 for storm water relief sewers in the area of the city now served by a combined sanitary and storm water system.)

Nameoki area residents also would benefit from the interceptor sewers and would pay the fee of \$1.12 for the treatment plant and interceptors. The total overall cost for drainage interceptor sewers and the treatment plant would be \$3.40 a month.

The citizen group explains that through separation of the sanitary and storm water sewers, there would be greater capacity in the separate sanitary system which would eliminate backups in Nameoki area sanitary sewers whenever there is a heavy rain that overtaxes the present combined sewer system into which the Nameoki sanitary sewers are connected.

Daybreak Optimists Most Scout Winners

The Daybreak Optimists Club played host Saturday to winners at Boy Scout outdoor and window displays, presenting cash awards to the boys at the breakfast meeting held at the YMCA.

First place award in the window display contest went to David Polivick and George Birdson, representing Cub Pack 15, while Henry Hellicor and Eugene Vrenick of Troop 18 accepted the award for first place outdoor display. Second place award for outdoor display was presented to John Melson and Tommy Jewett of Troop 122.

Alton Jesse, district chairman of Uniwash scout activities, presented certificates of appreciation to Jerry Walters and Sigmund Fredericks for their duty to scouting. David McCall, a scout for nine years, told of the enjoyments of scouting, saying it has made him a "big brother" to every other scout.

Daniel Brown, Cahokia Mound Council executive, presented a trip on local scout activities.

Three-Way Bridge Crash

Autos Cetus E. Baker, 41, of 3805 Fair Oaks drive, Paul Eugene Tinsley, 45, of 2828 Victory drive, and Geoffrey G. Chaboude, 19, of 2865 Ralph street were damaged in a collision on the McKinley Bridge at 5 p.m. Friday. All were headed east.

Police said that when Baker stopped for traffic, the rear of his car was hit by the front of Tinsley's auto. The rear of the second vehicle then was struck by the front end, grille and bumper of Chaboude's car.

MRS. JOHN P. GIEDEMAN, the former Sandra Sloss, daughter of Mr. and Mrs. William Sloss Jr., 2817 Fortune drive, who was married Saturday morning at Sacred Heart Church.

Miss Sandra Sloss And John Giedeman Wed Saturday

White flowers and greenery decorated Sacred Heart Catholic Church Saturday morning the wedding at 11 o'clock of Miss Sandra Sloss, a daughter of Mr. and Mrs. William Sloss Jr., 2817 Fortune drive, and John P. Giedeman, of La Puente, Calif., a son of Mr. and Mrs. Joseph Giedeman of Swansea, Ill. Rev. William Wand performed the ceremony.

Mrs. George Crawshaw presided at the organ and accompanied the soloist, Mrs. Warren MacZura, as she sang "Ave Maria," "On This Day" and "Mother At Thy Feet We Are Kneeling."

The bride, who was given in marriage by her father, was attired in a formal gown of Chantilly lace with long tapering sleeves and a jeweled scalloped skirt swept into a chapel train bordered with pleated tulle. A veil of imported French illusion was caught to a tiara crown of pearls and diamonds and boreals crystals and the bridal bouquet was a cascade arrangement of white carnations and a detachable corsage of white roses, stephanotis and net.

Mrs. Michael Bisto, a sister of the bride, matron of honor, and Miss Virginia Schewe, bridesmaid, were dressed alike in gowns of aquamarine chiffon over taffeta. Ballerina-length, they were designed with draped

necklines and tiny cap sleeves, the very bouffant skirts flaring from the waistlines. Shoes matched the gowns, as did aqua clusters of fabric contour berries and circular nose veils. They carried bouquets of aqua tipped carnations centered with yellow carnations.

Mrs. Sloss wore a brown tinted silk sheath dress with a cocoa brown linen coat and dark brown accessories. The bridegroom's mother was in steel blue silk, a flowered hat and black patent accessories. Both wore white carnation corsages.

George Marsh served as best man for Mr. Giedeman, and Ronald Schmidt and Robert and Joseph Giedeman, brothers of the bridegroom, were groomsmen and ushers.

A reception was held at the church hall directly after the ceremony and the couple left later for a short wedding trip. They will reside in Glendale, Calif.

The former Miss Sloss was graduated from St. Theresa's Academy in East St. Louis and has been employed by the Granite City Steel Co. She was National Spelling Bee champion in 1955.

Mr. Giedeman graduated from the Cathedral high school in Belleville and Belleville Junior College. He is employed by the testing department and foundation of Flood Control of the county of Los Angeles.

and means committee for the public hat sale to be held March 10 from 8-11:30 a.m. in the Washington Theatre lobby and Ellen Davison, president, announced that she would attend the Division Convention to be held in Aurora, Ill., April 27-29.

The regular meeting in April will be devoted to a tour of the A. O. Smith Corp. plant and dinner in the cafeteria. The committee of officers is to be presented at the same meeting by the nominating committee composed of Shirley Schweendeman, Esther Rensing, Betty May and Mary Sedekum.

To develop ideas for a National Secretaries Week observance locally, a committee was set up with Shirley Schweendeman named chairman. The plans will be presented at the April meeting.

Guests attending Thursday's meeting were Edna Clem, Mary Lou Richeson, Joan Schneider, Elsie Pulst, Carol Carter, Dolores Bourisaw and Gwen Coas, all General Steel Industries employees; Mary Ann Donough and Joyce Grace from the American National Bank; Sally Cooley of Stephens Press; Martha Roehrer of the Granite City board of education and Lucy Redder of the American Steel Foundries.

Hostesses were Faye Metzer and Charlene Vunovic.

Partney-Gourley Betrothal Is Announced

Mr. and Mrs. John Janco Jr., 18 Nassau drive, are announcing the engagement of their daughter, Miss Carol Gourley, to Donald W. Partney Jr., whose parents, Alderman and Mrs. Partney, reside at 2215 Dewey avenue.

The bride-elect was graduated from the Granite City high school and is employed in the office of the First Granite City Savings & Loan Association. Mr. Partney Jr., vice-president of the Granite City Sheet Metal Works, is an alumnus of the local high school and the University of Illinois. At present he is in the U.S. Coast Guard Service, stationed at Great Lakes. The wedding is scheduled for the spring after his discharge.

NOTICE

On Wednesday, February 28, a meeting concerning shoplifting was held at the Granite City Y.M.C.A.

Attending this meeting was Granite City Police Chief Raymond J. Willard, Chief of Police Frank DeWitt of Venice and Sgt. Emmett Pazio and George Ramach of the Madison police department as well as some 25 local store owners and managers.

It was reported by the managers of the large chain stores that the losses from shoplifting in the local store (those located in the Quad-Cities) were the highest of any of their stores in the entire metropolitan St. Louis area.

WHY SHOULD THIS BE?

We do not know the answer but possibly part of the fault is that local businessmen are not following through on prosecution of shoplifters when they are apprehended. Allowing youngsters . . . and adults . . . to get away with this type of petty thievery can very easily lead to more serious stealing.

We at Glik's are determined to do our part in stamping out this very serious problem in the Quad-Cities community.

Glik's Will Pay \$50 Reward
in cash for any information leading to the apprehension of a shoplifter aged 18 or over in any Glik store.

Glik's Will Pay \$25 Reward
in cash for apprehension of a shoplifter under the age of 18 in any Glik store.

If you notice any suspicious person while shopping in any of our stores . . . tell one of our salespeople. You may be rewarded with \$50.

We will be grateful for any help given us in this serious matter.

Regional Play Tonight

Trojan Bench Blasts Belleville Five To Finish Regular Season Unbeaten

Seeded No. 1 in the Wood River regional tournament which opened tonight, Coach Earl McClanahan's Madison Trojans remain the only unbeaten team in the state by virtue of Friday night's 70-57 win at Belleville.

Ranked third in Illinois, Madison's cagers will clash with Alton Marquette in the first-round opener tonight at 7 o'clock. In the nightcap, Wood River meets Edwardsville.

In handling Coach Jerry Tur- in three minutes and 10 seconds, the Trojans accounted for eight first loss at home this season. "Hawk" Gravelle the Trojans registered their three and Don "The Ice" Free- 24th consecutive victory. Belleville's "nightmare" this stanza was ferred their fourth loss in 23 over, the Maroons were trailing 51-39.

Third Period Explosion
Trailing 19-10 in the first quarter, the Trojans battled back to even a 30-all tie at the half before breaking the game wide open at the start of the third period. Madison grabbed a 41-31 advantage after two and a half minutes had elapsed in the third stanza.

Ken Griggs led the comebackers as the Trojan backliner hit Hayes. Hayes fouled out with three quick buckets in a minute and five seconds. McClanahan's outscored its hosts 13-2 more Cecil Bell, who gathered

in five important rebounds and tossed in four points. Relieving Freeman was Charlie "Boz" Kosek, who also tallied four points.

Freeman, who picked up three personals in the first period, sat out parts of the second and third quarters.

Below-Par Shooting
Shooting far below their season average, the Trojans finished with 23 of 66 field goal attempts for a 34.8 shooting mark. Madison shot 64.9 from the free throw line, hitting 24 of 37.

Belleville hit better from the field but failed to control the boards with its towering height and therefore did not get as many shots at the hoop. The Maroons hit 19 of 48 field goals and shot a poor 61.3 from the line (19 of 31).

Madison's individual scoring: Freeman 27, Griggs 17, Gravelle 9, Andrews 8, Bell 4, Kosek 4 and Hayes 1. Belleville totals: Dave Renn 16, Roger Redhold 13, Jerry Jowett 11, Barry Jackson 7, Gary Hearne 6 and Charlie Bludde 4.

Madison Tops Field At Wood River; Warriors Play Collinsville Tuesday

Larger schools and their smaller brothers which survived district eliminations last week begin play tonight across Illinois in 60 regional basketball tournaments, the second rung on a four-step ladder which will eventually lead eight teams to Huff gymnasium in Champaign not quite three weeks from today for the championship finals.

Forty-four district tournaments last week panned an original field of 689 downstate teams to about 400.

44 Survive This Week
Play this week will cut the number surviving schools to 64, which advance next week to 16 sectional tournament sites in Illinois, including a four-team meet here March 14-16.

Sixteen teams will survive sectional eliminations and gain the quarterfinal round of the state tournament, held outside Champaign for the past several years.

The quarterfinal, or "super-sectional" round games are scheduled in East St. Louis, Aurora East, Decatur, Eldorado, Evanston, Peoria (Bradley University), Quincy and Rock Island.

Games At Wood River
The state's only major unbeaten team, Madison, inaugurates play in the tough Wood River regional tonight at 7 o'clock. When the top-seeded Trojans tangle with Marquette of Alton (7-12), Madison has won 24 straight.

At 8:30 tonight, Wood River plays Edwardsville to complete the upper bracket first round. Second-seeded Collinsville faces Granite City at 7 p. m. tomorrow, and Alton follows up against Lincoln of Venice, winner of the Roxana district tie. Semifinals in the upper bracket will be played Wednesday at 8 p. m., lower bracket (Tuesday winner) semifinals at 8 p. m. Thursday, and the championship game at 8 p. m. Friday.

Plays Carrollton Winner
The winner at Wood River apparently has a clear shot to the sectional finals in Granite City, being paired in the first round here against the champion of the Carrollton regional. In comparing the relative strength of the teams in the Wood River and Carrollton regions, it might be noted that Jerseyville (6-16) is the No. 1 seeded team at Carrollton.

The lower bracket in the Granite City sectional will match winners from the East St. Louis and Litchfield divisions. Belleville is top seeded at East St. Louis and Hillsboro rated the No. 1 team at Litchfield.

Tournament Jinx?
Whether the jinx which has hovered over the regional playoffs in most of the teams in this area the past few years will pop up again this week remains to be seen.

The "jinx" has affected two of the last three regional trophy favorites — Morris and State. Three years ago, Alton took a 26-1 record into the Wood River regional, only to be wiped out by the unbeaten Madison team, which had a 10-1 record at the start of the tournament.

In 1950 it was Granite City, the Warriors defeated the Wood River team, Collinsville, on its own court in the finals of the regional tournament, and then advanced through the sectional level only to be upset themselves by West Frankfort of the East St. Louis super-sectional.

Last year, of course, Collinsville outlasted everybody, finishing with an unbeaten record and the state crown. But, with the exception of their super-sectional battle with Centralia, the Kahoks had more anxious moments in the area regional than at any other level of the state eliminations.

This week, it appears to be the Trojans' turn, either to remain unbeaten — as they must to stay in contention — or to become upset victims, in which case they would have plenty of company from past years.

HEMMED IN. Lincoln's Tom Hall (34) finds himself surrounded by two Western Military players — and Referee Erv Hendricks — after pulling down a rebound late in Thursday night semifinal action at the Roxana district basketball tournament. Hidden behind Hall is Western's Lee McGrady, while George Fields (25) applies pressure from the side. McGrady was whistled for fouling Hall, who led the Rams to a 66-63 win by scoring 31 points.

Rams Win Sixth Straight District Title; To Meet Alton In Regional

The Lincoln of Venice Rams won an unprecedented sixth straight district basketball tournament title in Roxana Friday night, as they downed the inept Roxana Shells 79-51 and won the right to step up to regional level competition in Wood River this week, where they will play Alton at 8:30 p. m. Tuesday.

The Rams, who were a little only one hour's sleep, rebounded inept themselves Thursday evening in a semifinal contest against the Western Military but still managed to eke out a 66-63 win, could do little wrong Friday night.

They shot a sizzling 56% from the floor, outscored the host team 24-22, and forced the Shells into one mistake after another with a swarming full-court press.

One surprising reason for the excellent shooting percentage (32 to 59) by Coach Stan Lynch's team was the hot out-court shooting of Charlie Hatter, who put 23 and 30-foot jump shots away with maddening regularity.

23-4 Edge
In the second period, when Lincoln outscored Roxana 23-4 to put the game out of reach, Hatter hit three successive jumpers from outside which set a new capacity crowd buzzing.

The little guard finished the evening with 28 points to lead all scorers.

"That Hatter" Roxana Coach Wm. Wassen said after the game, still shaking his head in disbelief. "You can't beat shooting like that!" He had 13 of his points in the second period, which saw the Rams take an 18-12 lead and extend it to 41-16 at halftime.

The basket barrage, or most of it, came with ace Lincoln scorer Tommy Hall on the bench after he had picked up his third personal early in the second quarter. Hall returned in the second half to sink 11 points, and totaled 19 for the game.

Chavis Clears 16
Lightning-quick Bob Chavis, who played Thursday night with

footer from the corner to make it 56-34.

Ramsey countered with a rebound shot and the score was knotted again. Once again Hall hit from behind the basket. Long free throws by each team kept the Rams ahead by two.

With 2:35 to go, Lincoln's Chavis got good position and laid in a rebound to make it 61-57. Western's George Fields was fouled while bringing the ball down against Lincoln's press.

Three-Point Play
Fields missed the charity toss but got the rebound and doubled his effort with a field goal. The length of the floor and Ramsey did likewise. Chavis grabbed the ball with 2:20 to go, dribbled the length of the floor and dropped it in. He was fouled by Lee McGrady, but the basket counted and Chavis converted it into a three-point play. Lincoln led 64-59.

Western's Fields hit from outside to cut the margin to three. Chavis was fouled again but missed the free throw and the Red Raiders got the rebound with 1:55 remaining. Ramsey shot the ball 15 seconds later, but missed and fell to the floor with a leg injury and Western's ace left the game with 22 markers.

Clutch Free Throws
After a time out, McGrady missed a jump shot and Western's Phil Kuntz's tip attempt rolled off the rim. Hall was fouled by Fields with 1:20 to go and Lincoln's ace swished two from the foul line to make it 66-61. Western got three more out of the bucket before Lynch's team came up with the rebound and the Rams' Marchbank started to stall.

Marchbank was fouled by McGrady and missed the charity toss, but time was the important factor and Lincoln was too far ahead for the Red Raiders.

Lincoln started slowly and didn't score a field goal until there was 3:10 left in the first period. Then the Rams hit rapidly and pulled ahead 18-8 at the end of the first stanza. Marchbank kept Lynch's squad in the same in the first half as he got all of his 14 points before the intermission, which ended 39-22. The score after three quarters was 51-46.

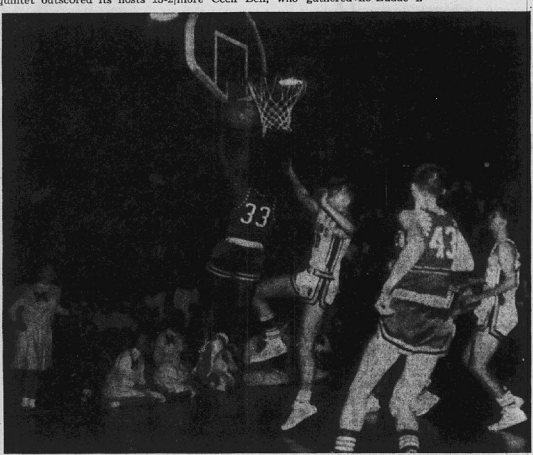

Hall led the winners with 31, Chavis got 12 and Edgar Buckles and Charles Hatter added six and three. Tommy Turner failed to score for the Rams. Western's scoring: Ramsey 22, Fields 12, Kuntz 12, McGrady 9, Dick McCandless 6 and Don Wilson 2.

GCHS Finishes In 8th Place Tie At Prep Mat Finals

Felchlin Runner-Up At 133 Pounds; Reavis Repeats As State Champion

Reavis high school of Oak Lawn, placing all seven of its qualifiers in the semifinals and advancing four to championship bouts, easily defended its Illinois high school state wrestling title at Arlington Heights over the weekend.

Reavis piled up 63 points, the most ever scored in the 25-year history of the state finals. Granite City, one of three downstate teams among the top 10 finishers, ended in a three-way tie for eighth place with Palatine and Rich Township. All totaled 16 points.

Runner-up was Waukegan with 36 points. Following in order were Savanna with 34 points, Moline with 29, Evanston 28, Naperville 19 and Lyons of La Grange 18.

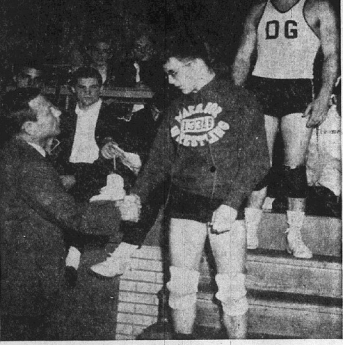

Granite City's 133-pound entry, Buddy Felchlin, made the best showing of any local entry, finishing second in his weight division. He defeated Gordon Shankland of Lyons 6-4 in the first round, was a 6-1 winner over Don Dominick of New Trier in the quarterfinals, defeated Jerry Ferris of Savanna 15-3 in the semifinals and was edged 2-0 by the 133-pound champion, Al Mejdrek of Downers Grove.

San Edo, Edon Poole and Bob Cruse of GCHS all won first-round bouts but were beaten in the quarterfinals. Skip MacMillan, Larry Reynolds and Bob Kary were dealt first-round losses.

Fazio pinned Jesse Horne of Chicago Heights in 3:37 of a first-round encounter at 138 pounds and then was defeated 6-3 by Leon Lee of Waukegan in the quarterfinals. Lee went on to finish fourth at 138.

Poole, wrestling at 145 pounds, beat Brian Lonast of Moline 10-4 in the opening round, and was eliminated by Joe Domko of Urbana in the quarterfinals, 2-0. Poole had stopped Domko in a dual match earlier this season, 7-1.

Bob Cruse, who took a 32-0

SECOND PLACE MEDAL In 133-pound division is presented to Granite City's Buddy Felchlin (center) by Al Schorf of Elgin, chairman of the IHSAA wrestling advisory committee, in ceremonies at Arlington Heights high school, scene of state prep wrestling finals Saturday. At right is Al Mejdrek of Downers Grove, who defeated Felchlin 2-0 in the 133-pound finals.

GSJ Subsidiary Low Bidder On Rail Cars

The St. Louis Car Co. division of General Steel Industries, Inc., was apparent low bidder for 300 new subway cars for the New York City Transit Authority, according to a notice received Friday at the GSJ main offices here.

A spokesman for GSJ here said a contract award should be announced within a few weeks. Total amount of the contract, if awarded to GSJ, would be about \$55,000,000. In the past, trucks for the subway cars have been manufactured at the local General Steel plant.

The bids, including \$108,500 a car by St. Louis Car, \$115,900 by Budd Co. of New York and \$132,750 by Pullman Standard Co. of Chicago, are being studied by the New York Board of Estimates, which will recommend the contract award.

St. Louis Car completed last month a contract for 550 cars for the New York subway BMT division, and will be working through November on another contract for 328 shorter cars for the New York system's IRT division.

Women Scalded When Kettle Of Water Spills

Mrs. Louise Potillo, 38, of 2445 Illinois avenue, was given emergency treatment at St. Elizabeth Hospital Saturday afternoon for scald burns to her right side and right hand, suffered when she dropped a kettle of hot water in the kitchen at her home and it overturned on a cabinet.

Also treated Saturday was 15-year-old Wayne Tarris, 4760 Namekodi road, for deep scratches to his right hand, inflicted by a cat; and 10-year-old Alan Koester, 4605 Maryville road, who suffered two cuts to his right thigh when he was caught on a steel fence.

DO THE PUPILS A FAVOR - VOTE FOR SHAVER

A Granite City letter carrier, Kendall E. Hillmer, 34, of 2535 Jordan avenue, pleaded guilty Thursday before U.S. District Judge Omer Poos in Springfield to a charge of mail theft and made application for probation.

The U. S. district attorney's office said the motion was referred to the probation office and a hearing will be conducted within two weeks. Hillmer is free on \$1000 bond.

Still pending in the U. S. District Court is a similar charge against Theodore C. Jensen, 41, of 2121 Clark avenue, a substitute letter carrier and clerk, who is to appear before Judge Poos within two weeks. A third Granite City carrier, also charged with mail theft, William J. Oliver Jr., 21, of the 2100 block of Cleveland Blvd., was placed on five years probation recently after entering a guilty plea before Judge Poos.

Three-Car Accident

Three cars were damaged early Sunday morning in a sideswipe accident on U.S. Highway 67, near West Pontoon road. State troopers said the drivers were James Martin, 40, of Alton and Clabon Epps, 37, of East St. Louis, who were traveling south, and Ray Lanzo, 22, of 2115 Benton street, who was going north.

WARRIORS' LARRY REYNOLDS finds himself in trouble against Provost Esat's Mack Brown (dark dots) in their 127-pound consolation semifinal bout at state prep wrestling tournament Saturday at Arlington Heights. Brown scored a 6-3 decision. Granite City finished in a three-way tie for eighth place at the tournament, which drew entries from 84 Illinois high schools.

Jr. HS Orchestra To Give Concert Thursday

The all-city junior high school orchestra of Granite City will present a concert at 8 p.m. Thursday in Central Junior high school auditorium. It was announced today by the director, Dean Duncan, who is orchestra instructor in the schools and also principal string bass of the St. Louis Philharmonic Symphony orchestra.

The 50-member orchestra, with a 27-piece string section, was organized last year. String instruction is being offered to students in grades seven through nine at Central, Coe, and Frather schools, and the orchestra members are from all three schools.

Duncan said a program varying from classic to popular music has been arranged.

28 GC Building Permits In Month Total \$190,765

Building in Granite City during February topped the \$190,000 mark as 28 permits were issued by City Building Inspector Earl Bloomquist with a valuation of \$190,765.

Eight permits, valued at \$59,400, were issued last week including a \$30,000 permit to the Granite City Trust & Savings Bank for its Delmar avenue walkup-teller window, an addition to the rear of the building and for an underground tunnel to the Delmar avenue window.

Other commercial permits were granted last week to Johnson's service station, 18th street and Cleveland blvd., for the installation of three 2000-gallon underground gasoline storage tanks and four service pumps at a cost of \$800; a \$300 permit to the Nameoki Murdock Distributing Co. to erect an office at 2186 Pontoon road, and a \$1500 permit to Air Products Co. to install a base, concrete pad and fittings for oxygen at 21st and Iowa streets at the rear of St. Elizabeth Hospital.

One dwelling permit was issued to Ray Campbell to build a \$12,000 frame house in Maryland Heights on lot No. 5 on Richmond avenue. The house is to have five rooms and bath. The monthly total for dwellings was two valued at \$38,000.

Two home improvements permits were issued by Bloomquist to Dorothy Hope to apply siding at 2923 Buxton avenue for \$900 and to Frank Baron to remodel an attic at 1212 Granite avenue for \$400. This brought February home improvement projects to 10 valued at \$22,215.

The month's lone trailer installation permit, for \$6000, was issued last week to Donald Reeve at 2207 Fourteenth street.

Infant Donald Pelikan Dies In St. Louis

Donald Pelikan, 18-month-old son of Mr. and Mrs. Frank F. Pelikan, Box 508, Rural Route One, died of a cardiac arrest at 11 p.m. Thursday, at St. Louis Children's Hospital.

In addition to his parents, the infant is survived by a brother, Edward, 5, a great-grandmother, Mrs. Mary Germaine, and grandparents, Mr. and Mrs. Frank Pelikan, all of Granite City. He was born at St. Elizabeth Hospital on Aug. 25, 1960.

Services were held at a St. Louis funeral home this morning at 8:30 and a Mass was conducted at Holy Trinity Church, 2515 North 14th street, St. Louis. Burial was in Calvary Cemetery, St. Louis. Further details are given in today's obituary column.

Hose Burns On Metal Press At Purdy Firm

Only slight damage resulted from a fire at 11:15 a.m. Friday at the Purdy Co., at the foot of Washington avenue, Madison, but a large tank of oil on the firm's huge hydraulic press was endangered for a time. A section of hose on the press burned and will be replaced.

Cutting knives on the machine, which compresses and separates sections of scrap metal, were being replaced when a spark from a cutting torch set fire to the hose, Madison firemen reported. Workmen had extinguished the blaze with fire extinguishers when the volunteer department arrived.

Lost License Plates

John Kelley, 104 Leandman street, Dupu, reported to Granite City police Thursday night that he lost his 1962 license plates.

TAXES? C. JUNGELS — 1924 EDISON

Snowtime is funtime in New Hampshire's White Mountains with thrilling skiing, skating and sled dog races. The Magic Circle motor tour of this winter wonderland starts at picturesque Laconia where there is competitive fun every week, such as the World's Championship Sled Dog Races in which 30 American and Canadian teams of silver-furred Huskies compete. March is sweet-scented sugaring time at High Maples Farm, with visitors welcome.

At Belknap Mountains Recreation Area aerial chair lifts glide up Rove Mountain, while spectators watch human snow birds fly from the jumping summits. The route continues around ice-bound Lake Winnepesaukee, past evergreen clumps marking islands. Stovepipes identify the sheds over ice-fishing holes. The White Mountain Highway is a promised land for avid skiers, for there are centers every few miles where towns are in perpetual motion. North Conway has a night-lighted outdoor ice rink. There is a novel skionobile at Cranmore Mountain, while in Franconia Notch State Park enclosed gondolas lift skiers to the 4,077-foot summit. Mittersill resembles a Tyrolean village, its inn surrounded by small matching chalets.

Mrs. Byrne Announces School Board Candidacy

Announcing her candidacy for the Madison school board Friday morning was Mrs. Muriel Byrne, of 84 Garesche Homes, Madison. Mrs. Byrne told the Press-Record that she is an independent candidate in the April 14 election.

A licensed beautician at the Belmore Village shopping center beauty shop, Mrs. Byrne is a member of the Eastern Star, White Shrine, the Madison Rebekah Lodge and the Madison Baptist Church. She is past president and vice-president of the Madison PTA, past club scout den mother for 4½ years and a nominee for the book, "Who's Who in American Women."

Mrs. Byrne and her husband, Edward, who is employed by the CB&Q railroad in St. Louis, have five children — all attending school in the Madison system.

Miss Dorothy Davis Honored At Chicago

Miss Dorothy Davis, home lighting consultant for the Illinois Power Co., was honored at an awards dinner at Chicago Friday night for maintaining the top promotion department of the company's 13 service areas in the state in 1961.

Attending the dinner from the firm's local office, in addition to Miss Davis, were Mr. and Mrs. E. G. Schmidt and Mr. and Mrs. E. R. Applegate. They returned to Granite City Saturday.

Divorced Here Saturday

Johnnie E. White was granted a divorce from Harrietta K. White Saturday morning before City Court Judge Fred P. Schuman. The plaintiff charged desertion. The couple married July 26, 1938. No separation date was listed in the decree. The defendant's maiden name of Hall was restored.

New Feed System At Union Starch Half Completed

A new feed system and handling system at the Union Starch & Refining Co. is approximately half completed, company spokesman said last week, and is expected to greatly reduce the amount of dust released into the air.

The system will make use of three new high efficiency cyclone dust collectors, the largest of which was installed Monday afternoon atop the new steel feed storage tanks at the local plant.

Upon completion of the new system, the old inventory brick elevator with two feed storage silos will be torn down. The facilities which are to eventually replace it are designed to be as dust free as possible, the spokesman said.

Two major factors in dust release by the old system will be greatly improved in the new equipment. The old dust collectors sometimes clogged, hampering their operation, he noted, and were subject to wear which caused leakage.

The new collectors are equipped with wear plates designed to prevent leakage, and have warning devices which will sound an alarm when they become clogged.

The ground corn product handled by the system is used as an animal feed, and is transferred from one location to another through pneumatic tubes. Completion date of the new system has not been set.

25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record.

March 8, 1937.

Last week, the Tri-City Ministerial Association launched its second annual "Church-to-Church" campaign. Vigorous efforts are being put forth to enlist the cooperation of every civic-minded individual in the community in forwarding the campaign.

Several of the local civic organizations already are giving their full support to the movement. The high school is urging the young people of this city to be in regular attendance at Sunday school and church services.

Al Brase, Emmett Courtney, Howard Weston and Arthur Skidmore were elected delegates to represent Villedor Lodge No. 32 at the annual international convention of the Amalgamated Association of Iron, Steel and Tin Workers which convenes in Pittsburgh, Pa., April 27.

They defeated Lonnie Land, Edward Jones, Fred C. Clark and Ernie Thompson. The delegates were elected in a spirited all-day election in which voting by the Australian ballot, and which drew one of the largest voter casts in the history of several years.

Two more chicken thefts were reported last week to Granite City Police.

A. G. Blank, 2324 Delmar avenue, told authorities five chickens were stolen from his home Thursday night and H. C. Jones, 2333 Edison avenue, said three were taken from his place Friday night.

There has been an epidemic of chicken thefts in Granite City the last few weeks, and some of the owners told police the thieves will be given a hot reception if they fail again.

While active solicitation of flood relief funds has been discontinued by the local Red Cross chapter, donations are still being received and the total to date is \$7406. It was learned today from P. M. Davidson, chairman of the chapter.

The largest contribution was made by employees of the Commonwealth Division of the General Steel Castings Corp., who totaled \$2258. This contribution was taken under the auspices of the Commonwealth Public Committee.

Physicians in the Tri-Cities have received bulletins from the State Department of Health warning of smallpox epidemics that are springing up in various sections of Illinois.

Precautionary measures are being advised to prevent spread of the disease to new communities. Parents are urged to watch their children closely.

Carl Heaton, veteran tin mill roller, today began his duties as business agent and financial secretary of Granite City Lodge No. 11, having been elected over three opponents Saturday.

Overhauling machinery, Heaton received 346 votes against 62 for Thomas Hopkins, 53 for John Overholt and 45 for Rudolph Petri.

The large hall of the Labor Temple was packed to capacity, with many persons standing, Friday evening to greet David C. Shaw, attorney of Washington, D. C., local representative of the

ANTI-COMMUNISM MUST BE CONSTRUCTIVE, NOT IRRESPONSIBLE

To the Editor:

On the so-called anti-Communism circuit, according to a recent article, "seasoned performers described a veritable smother's den of Red intrigue in government, church and schools."

One speaker "assailed the nation's foreign and defense policies." He attacked the Central Intelligence Agency and the Department of Defense. He painted American leaders as "timorous, unwilling to challenge Russia's Premier Khrushchev or stand up to him."

He concluded that "the nation is literally being taken over by disease, and patriots cannot afford to be sentimental about the Reds causing the ultimate."

Such extremism and hypocrisy. Here we have self-styled "surgeons" using contaminated instruments of recklessness and irresponsibility to attempt a major operation on the "patient."

When over 900 million people are under Communist domination and denied the fundamental freedoms we take for granted, these extremists raise their voices more passionately against our nation's integrity than they do against Communism's germ warfare of deceit, treachery and terrorism.

We should attempt to improve and strengthen our form of government with constructive criticism, not with Machiavellian crusades. We should inspire our

young with courage, self-sacrifice, dedication and unflinching faith in the ideals that made our American heritage possible.

Our nation would then develop more courageous, dedicated and result-getting Americans. I'll still get a hard-to-define feeling inside when the flag goes by."

ART EXHIBIT EXAMPLE OF CONTRAST IN U.S. COMMUNIST SYSTEMS

To the Editor:

We artists whose work has been on display during February in the Granite City public library wish to thank all who came to see the exhibit.

Our special thanks to Mrs. Knufinke and the staff for their generous cooperation and to the Press-Record and all who had a part in making it a success.

Studies on Communism are being conducted in our city and we who paint pictures would like to make this fact better known. In a Communist-run country, artists are told exactly how and what they may paint. The subject matter being mostly extremely realistic scenes glorifying the lives of the workers.

Abstract or non-representational art is forbidden and individual creativeness is stifled. Artists in the United States are amazed at the curiosity of these artists concerning the American movement in the United States.

Here, not only the choice of subject is unrestricted, but the mode of expression are left entirely to the artist. If, for example, he

THE PASTOR SPEAKS

REV. HOWARD E. WHITE

Third Baptist Church

I believe in being realistic in our approach to world problems.

Our leaders must consider our position in relation to the rest of the world. Every available resource must be expended to insure U.S. leadership in the world's struggle for freedom.

Planning for the future is vital to our continued way of life. To do anything less than our best is unthinkable.

The fact that troubles me is that we are adding up our bombs and missiles, and comparing them with Russia, and all the while we are leaving God out of our plans, or at the best, giving Him a very obscure role.

We need to remember that God is alive and active in the affairs of men. He has the power to change hearts, lives and nations. This universe belongs to God and it must run according to His plan, or it will not run at all.

The evidence of history bears out the fact that the nations that forget God cannot and will not stand.

It is my conviction that America, the nation that has received the blessing of the Almighty God, no greater need exists in the U.S. today than the need for "including" God.

Glove Glamour—Some of the new soft fabric gloves can add real dash to your costume. To keep them looking their best, wash gloves on the hands in lukewarm water with plenty of mild suds. Rinse in warm water, roll in a towel and dry at room temperature. For a charming finishing touch, add a few drops of your favorite cologne to the rinse water. For dust-free storage, a plastic bag used by many laundries for packaging is ideal.

Wash - Wear - Whiteners—Wash and wear articles that have become yellow through home bleaching can sometimes be improved by using powdered color remover sold with packaged dyes. Follow the manufacturer's directions and remember, use bleach sparingly—not at all when the garment label advises against it.

Velvet Touch—Velvet is making a well-deserved comeback. To help keep its lustrous look, place on the ironing board, pile-side up, cover with a damp cloth and steam slowly and lightly (barely making contact with the press cloth). Brush gently and hang with nothing touching the surface.

Wool Squeeze Test—A simple test for wool quality is squeezing the article in the hand. If it feels smooth and springy, you can be pretty sure it's good. As a general rule, 100% virgin wool is the best. Reprocessed wool (spun but never used) and reclaimed (used) wool can make very serviceable articles, particularly when mixed with other fibers. To make sure of what you're getting, look at the label. The law

OFFICERS INSTALLED
BY CLUB AUXILIARY
The Venice Social Club Auxiliary held its February meeting Wednesday evening at the club. The newly-elected officers were installed, with Mrs. Mayne Dempster as installing officer.

Gifts were exchanged by the retiring president, Mrs. Mary Dixon, and her outgoing officers. New officers installed were Mrs. Deanna Kelly, president; Mrs. Angie Udell, vice-president; Mrs. Wilma Serini, secretary; with Mrs. Charlotte Frey as pro-tem; and Mrs. Lettie Kelly, treasurer.

Following the installation, new committees were appointed by the president, and plans were discussed for a pot luck supper to be held at the March meeting.

The remainder of the evening was spent at games, and prizes were awarded to Mesdames Frey, Lillian R. Mangi, Georgiann Marshall, Irene Camp, Kelly, Dolores Parente, Dee Boelling and Mayne Dempster.

Refreshments were served by the hostesses, Mrs. Boelling and Mrs. Juanita Hackney. Others attending were Mesdames Margaret Stover, Hilda Simmons, Ann Harden, Marie Mangi, Myrtle Bagi, Marie Pritchard, Wau-nita Cass, Elmore Scaturro, Peggy Cochran and Kate Buechele. Hostesses for the next meeting will be Mrs. Kelly and Mrs. Boelling.

CLUB PLANS PARTY
AT SCHOOL APRIL 18

The March meeting of the Venice Women's club was held Friday evening in the home economics room of the Venice school, with the president, Mrs. Madonna Croshaw, in charge. The club will sponsor a party for the senior class at Venice high school on April 18, and the high school faculty and other guests will be invited. It is planned to provide a prominent speaker to address the group, as has been the custom in the past.

Following the business meeting, a social hour was enjoyed. Games were played, and prizes were awarded to Mrs. Croshaw, Miss Rhea Byrnes, Mrs. Jane Harris, Mrs. Bess Brunder, Mrs. Margaret Selbert and Mrs. Mabel McGee.

A dessert luncheon was served by the hostesses, Mrs. Ruth Caveney, Mrs. Olga Andrich and Mrs. Nadine Meehan, to the above and Mrs. Josephine Johnnie, Mrs. Lisa Bauer, Mrs. Elsie Caveney, Mrs. Mae Ebersold, Mrs. Bernice Daniels and Mrs. Julia Kackley.

The next meeting will be held at the Rose Bowl April 3, when the members will invite guests. The hostesses will be Mrs. Daniels, Mrs. Johnnie, Mrs. Selbert and Mrs. Bauer.

TWELFTH BIRTHDAY
Cindy Bosworth, daughter of Mr. and Mrs. Calvin Bosworth, was surprised Thursday evening as a group of friends gathered to celebrate her twelfth birthday in her home.

The honoree was presented with many gifts. Decorations were in the birthday theme, and the refreshment table was centered with a decorated birthday cake presented to the honoree by her aunt, Mrs. Ruth Kinder. The cake was decorated with miniature records and musical notes.

Records were played, and dancing was enjoyed. Prize winners for the evening were Gail Cooper and Karen Hayden.

Cake, ice cream and soda were served to the above and Sally Essington, Patricia Stiton, Joan Pickens, Janice Hayden, Diane Lopez, Debbie Frohne, Sammy Becerra and Connie and Kent Bosworth.

Diane Clayton and Marjorie Fritter, foster daughters of Mr. and Mrs. Hilbert Fischer of Kerr street, were baptized Saturday afternoon at St. Mark's Church, with Rev. R. C. McCarthy officiating. The sponsors were Mary Donna Scaturro and Joyce Daniels.

Miss Constance F. Vivod And Robt. J. Koch Wed Saturday

Sacred Heart Catholic Church was the setting Saturday morning for the candlelight wedding of Miss Constance Frances Vivod and Robert Joseph Koch. The Rev. John Barrett officiated at the 9 o'clock Mass.

The bride is a daughter of Mr. and Mrs. George Vivod, 2804 Iowa street. Mr. Koch's parents are Mrs. Joseph and Felicia Koch, 2641 Edison avenue.

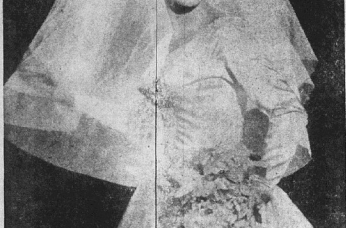

Bouquets of white pom poms and gladioli, interspersed with greenery, decorated the altar illuminated with burning candles, and candles were at alternate pews down the center aisle, together with white ribbon bows and feathery fern.

Mrs. Margaret Cravshaw presided at the organ and accompanied the soloist, Miss June Nightingale, in a program of wedding music.

Given in marriage by her father, the former Miss Vivod was attired in a traditional wedding gown of delustrated satin trimmed with re-embroidered Alencon lace motifs on the pained skirt and outlining the deep oval neckline. Folds of the skirt swept into a chapel train. A bouffant silk illusion veil was held in place with a Madelon capulet of pearlized and waxen blossoms which formed a halo.

The bride carried a cascade bouquet of white orchids, variegated ivy and a white prayer book used by the bridegroom's mother at her wedding.

Miss Ernestine Zigmmermann, maid of honor, Miss Elizabeth Koch, the bridegroom's sister, and Miss Patricia Ann Kadane, a cousin of the bride, bridesmaids, and two junior bridesmaids, Misses Felicia Mary and Josephine Michelle Koch, young sisters of the bridegroom, were

MRS. ROBERT J. KOCH, the former Constance Vivod, daughter of Mr. and Mrs. George Vivod, 2804 Iowa street, who was married Saturday at Sacred Heart Catholic Church.

The wedding breakfast and reception were held at the Polish Hall in Madison, and the newlyweds left later for a honeymoon in Florida. When they return they will live at 2641 Edison avenue.

The bride is a graduate of the Madison high school. Mr. Koch attended the U. S. Military Academy and St. Louis University. He is employed in the St. Louis office of Investors Diversified Services Inc.

Double-Ring Ceremony For Kennedy-Erb Nuptials

The wedding of Miss Sierra Beth Erb, a daughter of Mr. and Mrs. Clifford M. Erb, Marietta, Ill., and Robert J. Kennedy, jr., a son of Mr. and Mrs. Robert J. Kennedy sr., 2224 Woodlawn avenue, took place Saturday afternoon in a ceremony performed at 2 o'clock by Rev. Lawrence Mattingly at St. Elizabeth Catholic Church, 2300 Pontoon road. The double-ring service was used.

Mrs. Francis Judd presided at the organ and accompanied the soloist, Mrs. Alice Worthen, in a program of wedding music. The bride, escorted down the white-carpeted aisle by her father, was attired in a classically simple ballerina-length gown of white silk organza designed with a full, gathered skirt enhanced with a tiny bow in the back. The fitted bodice featured an oval neckline and three-quarter length sleeves and pearls and sequins were scattered throughout the skirt and waist.

A fingertip silk illusion veil was held to the bride's hair with a crown of pearls and crystals and she carried a bouquet of white Sweetheart roses and yellow carnations.

Mr. and Mrs. Charles Reedy, jr., brother-in-law and sister of the bridegroom, were the only attendants. Mrs. Reedy wore a lilac silk organza dress patterned after that worn by the bride. It was styled with a large bow and streamers at the back of the waist. Matching accessories and a lilac illusion fingertip veil completed the costume. Her flowers were a cascade of yellow carnations.

For her daughter's wedding, Mrs. Erb wore a white two-piece velvet sheath with purple accessories. Mrs. Kennedy, the bridegroom's mother, was in a beige suit and beige and orchid accessories. Both wore orchid corsages.

Mr. Lee Erb, a brother of the bridegroom, and Lawrence Powers, a cousin.

The former Miss Erb is a 1961 graduate of the Marietta high school and is presently a student at the East St. Louis Academy of Beauty Culture. Mr. Kennedy attended the Granite City high school and is now employed at Bud's Standard Service Station.

The couple will reside in Granite City.

Miss Joyce Vizer Becomes Bride Of Allen E. Jenness

Miss Joyce Vizer, a daughter of Mr. and Mrs. Joseph Vizer, 834 Niedringhaus avenue, and Allen E. Jenness, whose parents are Mr. and Mrs. W. P. Jenness of Decatur, were married Saturday morning at St. Joseph's Catholic Church.

Rev. Charles Mulrone officiated at the 10 o'clock service, and the wedding breakfast was held at the home of the bride. In the evening, friends of the couple attended a reception at the VFW hall.

Bouquets of white gladioli and pom poms decorated the church which was lighted with burning tapers in stanchions down the aisle.

The bride, given in marriage by her father, wore a white gown of white peau de soie with a detachable overskirt. The Sabrina neckline of the molded bodice was outlined with Alencon lace and the long, slim sleeves came to points at the hands. Lace motifs trimmed the front of the skirt and the bouffant overskirt trailed behind in the back to form a chapel train. A melody-length veil of imported French illusion was attached to a forward coronet and the bride carried a cascade of stephanotis, gardenias and garlands of variegated ivy.

The attendants, Miss Diane Spiroff, maid of honor, and Miss Annette Lucas, bridesmaid, were dressed alike in turquoise peau de soie street-length sheaths with bateau necklines and brief cap sleeves with small tailored bows at the shoulder flares. The brides were fashioned with polonaise swirls on the overskirts. They were matching bridesmaids with white necklines and held crescent bouquets of red carnations and white snowdrift.

The bride's mother was in champagne lace and matching accessories, while the bridegroom's mother selected an avocado green lace sheath and green accessories. Both had gardenia corsages.

David Ernst was best man for Mr. Jenness and Kenneth Spiroff was groomsmen.

The bridegroom will be graduated this month from Southern Illinois University in Carbondale. The former Miss Vizer attended the Granite City high school.

MARRIAGE OF LOCAL TEACHER IS ANNOUNCED

Announcement has been made of the recent marriage of Mrs. Carolyn Ryle, assistant professor of health education at Eastern Illinois University, and Milburn Harris Smith, an art teacher at Park Junior high school.

The wedding took place Feb. 23 at Trinity Episcopal Church in Mattoon, Ill., with Father William Toland officiating, assisted by Rev. B. L. Bryan, pastor of the Evangelical United Brethren Church here. The couple will continue present teaching duties until the close of the school year.

RETURNS TO CALIFORNIA

Mrs. Ernest Gaddis returned to her home in Sacramento, Calif., after a visit of three weeks with relatives in the city, her former home. She was here to attend the wedding Feb. 24 of her son, Loren Davis, and Miss Carol Davis.

GARDEN CLUB WILL MEET

Children Alone In Cold Home Taken Away By County

County juvenile authorities took temporary custody of six children, ranging in age from two to 13, after they and Madison police found the group alone and shivering from cold in a converted store building on Edwardsville road, Madison health officers inspected the house Saturday.

The rented building had been occupied by the father and five children aged 9, 11, 13, 15 and 16. The mother and the children aged four, three and two years had been living in North Venice since last May. A married daughter assisted the father for a while but later returned to her husband after a separation.

The mother brought the three youngest to the house and left them with her son, aged 15 while she went to a physician's office in Granite City Friday. It was at this time that the six were taken into custody.

Police are contacting the county judge's office, since two of the boys have been questioned recently on law violations.

An appeal for clothing assistance for the family has been made by James J. Reideberger, county juvenile probation officer. The Edwardsville Junior Service club has donated \$60 to help buy the apparel.

Sanctuary Choir Holds Meeting

The Sanctuary Choir of First United Presbyterian Church held a meeting Friday evening at the church.

Mrs. Peggy Malone and Mrs. Virginia King were hostesses to the group and the meeting opened with prayer by Mrs. Burdine Holtzsch.

Mrs. Bonita Leman, who was in charge of the program, discussed her favorite hymn, "Lord Speak To Me," by Florence Havergal, and after the singing refreshments were served by the hostesses who carried out a St. Patrick's theme.

Held In Custody

Still in custody today at the Granite City jail is Donald McCaslin, 23, of 3948 Lake street, who was charged Saturday at 10:20 a.m. with contempt of court by City Judge Fred P. Schuman.

Traffic Light Charge

Charged with running a red light at 23rd street and Madison avenue Saturday at 6:15 p.m. was Mona Timmon, 441 Hemlock avenue, who posted her driver's license as bond.

Two Youths Confessed

Charles E. Hutchinson, 20, of 908 Grand avenue, Madison, and Gathel Beaton, 18, of 2237 Grand avenue, pleaded guilty to theft before Police Magistrate Casparovic Saturday morning as the case was taken under advisement until next Friday when a ruling will be made.

Still in custody today at the Granite City jail, their bonds have been set at \$1000 each. Chief of Detectives James Lowder said Hutchinson and Beaton have signed statements admitting the theft of 47 brass ingots from the Madison Aluminum Foundry, 18th and Benton streets, on the night of last August 20.

3 Car Thefts Cleared

Two Granite City teenage boys have admitted stealing three autos in January, Chief of Detectives James Lowder told the Press-Record Saturday morning.

The two youths have been turned over to the Coordinated Youth Service Center.

All three autos were recovered within 24 hours of the theft. The cases cleared are the Jan. 22 theft of a 1960 auto belonging to Ray Bornert, East St. Louis; and the Jan. 23 theft of cars owned by Leonard G. Jowski, 1610 Fifth street, Madison, and Margaret Diamond, 1306 Nineteenth street.

Gjowski's car was taken from 19th street and Edison avenue and the Diamond vehicle was stolen from the rear of Schiff's shoe store, 1308 Nineteenth. Both cars were recovered by the Chain of Rocks Canal bridge and the Bornert auto, taken from the 1900 block of State street, was found abandoned on a lot at 20th street and Edwardsville road.

Service Station Entered

A cigarette machine, coin box was looted of an undetermined amount of money by burglars who entered the Moto Service station on U. S. Highway 67a south of Madison between 10 p.m. Thursday and 5:45 a.m. Friday.

Proprietor Virgil Kirchoff

told county authorities entrance gained by breaking the glass in a door on the south side of the building. The machine was taken from the station and an unsuccessful attempt was made to force open a safe.

Entrance was gained to the Davis confectionery, Third and Webster streets, West Madison, between 4 a.m. and 6:30 a.m. Friday but nothing was found to be missing. A glass panel in the front door was broken by the intruder and another glass panel was removed, enabling the door to be unlocked.

Stolen Car Recovered

A 1956 two-door hard top white over blue auto, belonging to Tom Crane, 2147 Edison avenue, was recovered in the 2200 block of Washington avenue Saturday morning. The car was stolen from Crane's home Friday night.

Woman's Bullets Taken

Pearl Bunselmeyer, 2742 Sunset drive, told police yesterday at 8:30 a.m. that her white bullet was taken from her purse Saturday night. She said it contained \$2 in cash, her driver's license and valuable papers. She released it to the sheriff's office was notified at 2:50 a.m. Friday. There was no forced entry.

Area Precipitation Nearly 9 1/2 Inches Above Normal

Precipitation, including about five inches of snow and sleet, was measured at 2.51 inches for the Quad-Cities area during February, boosting the total rainfall for the year to 6.83 inches, or 3.42 inches above normal. In January, the total was 4.42 inches, which included 18.25 inches of snow.

February's precipitation, measured at the gauge at the Chain of Rocks canal locks, where the U.S. Army Corps of Engineers maintains the instrument, fell on 14 days. Traces of rain, usually snow flurries, were recorded on five days, and only one measurable day was reported during the first half of the month—1.02 inch of snow and rain on Feb. 9.

During the last half of the month, there were only four days on which precipitation was not recorded.

In the first two months of this year, precipitation was recorded on 31 of 59 days, and snow has been measured at 23.25 inches.

Last week, 30 inch of rain was recorded on Monday morning and 14 inch of snow and sleet on Wednesday morning. The gauge is read each morning at 8 o'clock.

In the first two months of 1961, total precipitation was 8.61 inches, which included 17.75 inches of snow.

Troop Leaders Being Given Cookie Sale Data

The new-type cookie sale to be conducted by Brownies and Girl Scouts March 23 to April 2 is being outlined for district and neighborhood chairmen to pass the information on to individual troop leaders. It was announced over the weekend by Mrs. John P. Zimmer of Granite City, who is general chairman for the River Bluffs Girl Scout Council.

The event will be the first annual cookie sale to be held by the newly-formed council, which includes Madison, St. Clair, Jersey, Monroe counties and parts of Macoupin county.

Among the district cookie chairmen is Mrs. John Koester for the local area. Each district is divided into five or six neighborhoods and an adult leader serves as neighborhood cookie chairman in each area.

Neighborhood cookie chairmen for the Quad-City area are: No. 1, Mrs. Marcella Oranovich; No. 2, Mrs. Laura Travis; No. 3, Mrs. Olivia Kunenman; No. 4, Mrs. Jean Beatty, and No. 5, Mrs. Nola Rill.

The council, with 11,398 girls, has set its goal to sell 200,000 packages of the five varieties of cookies which cost 40 cents a box. A troop receives five cents for each box.

Under the new program, the girls will receive cookies and make direct sales. In past years, they have taken orders for delivery at a later date.

Venice Council Approves Payment For New Pumper

After transferring \$20,757 from the working cash fund to the fire department fund Friday night, the Venice city council approved payment of \$19,321 for the city's new fire truck, and \$1,436 for equipment to be used with it.

Actual price of the new pumper, purchased from the Towers Fire Apparatus Co., Freeburg, was \$22,321, less a \$3,000 trade-in allowance on the city's 1948 model fire truck.

Fire Chief Michael Leatherman Jr. said that the cost of equipment, provided by the Milnor Manufacturing Co., 1300 McKinley avenue, Venice, could have been much higher. Major item is a hydraulic lifting system for hose containers, each weighing 1,200 pounds when filled.

Leatherman said Milnor provided the equipment at cost of material. "We owe a great deal to Milton Morris," he said, "for giving us this price. He did the city a great favor."

Approved After Tests
The council heard a letter from the Illinois Inspection Bureau announcing testing and approval of the new truck, and then a report by Leatherman that the fire department had formally accepted delivery of it on Feb. 23.

In other action, the council approved payment of bills for city supplies and salaries of city officials and employees from the general fund.

A payment of \$5071 from the McKinley Bridge revenue fund was approved as the city's share of the cost of the Madison-Venice dog pound.

Council Room Painted
Included in the general fund payments was \$65 to Ben Hall for painting the council room.

Newly painted in light green with matching woodwork and a white ceiling, the room drew favorable comments from the aldermen as they entered.

The council approved a February police report submitted by Chief Frank DeWitt. Of 83 total arrests, DeWitt reported, 44 persons paid fines and costs totaling \$775, while an additional eight had fine costs paid but costs amounting to \$40.

Display Room Fret
A building permit to William Hlava Jr. for a \$3,000 lawnmower display room at 1200 Madison avenue, adjoining the Hlava Auto Repair shop, was approved by the council. The permit request was dated Feb. 22.

Leatherman noted that an open house will be held by the fire department next Sunday afternoon to display the new fire truck to the public. Providing the weather is suitable, he said, firemen will demonstrate the new pumper and give rides to children.

"We hope to have a big crowd," Leatherman said, "because we want everyone to know to be as proud of the new truck as we are."

Hearing Thursday On Nameoki Road, Route 3 Project

A public hearing on proposed Federal-Aid Route 4 improvements along Nameoki road and Route 3 from Granite City to Mitchell will be held Thursday, Chairman William Morris of the Tri-Cities Chamber of Commerce transportation and highways committee has announced.

The hearing, called by the Illinois Division of Highways, is scheduled for 2 p. m. at the YMCA auditorium, G. H. Shanahan, district highway engineer, will conduct the hearing, and the public is invited to attend and participate in the discussion.

The proposed improvements include widening and resurfacing of present pavement, and construction of curbs, gutters, medians and necessary storm sewer drainage for four-lane traffic from Edwardsville road north along Nameoki road to Interstate Route 270 at Mitchell.

Morris called on members of his committee to attend the hearing, and take the opportunity to meet Shanahan and assure him of the committee's cooperation in all highway matters pertaining to the Quad-City area.

Oral statements will be heard and recorded at the hearing, but all important arguments should be submitted to Shanahan in quadruplicate at the hearing or subsequently at his French Village office, Morris said.

Maps and plans for the proposed improvements will be on display during and following the hearing for inspection by the general public. Personnel of the East St. Louis district highway office will be present to discuss individual problems prior to and after the hearing.

Jumps From Car

Dorothy Mosby, 16, daughter of Mr. and Mrs. George Mosby, of 215 (rear) Terry, Eagle Park Acres, was injured yesterday evening when she jumped out of her parents' car in the 1700 block of Madison avenue. Investigating Granite City police officers said she apparently sought medical treatment from the family physician. No other details were available.

cuts to his forehead, told state troopers he was traveling north when his car was forced off the pavement by another vehicle and went out of control and rolled over. He said the other vehicle did not stop.

Head-On Madison Crash

Michael O. Ponce, 23, of 839 Niedringhaus avenue, a medical technician at St. Elizabeth Hospital, was treated at the hospital for a cut on the top of the head suffered at 7:30 p.m. Thursday when the front of his southbound auto collided with the front of the northbound car of David Jasudowicz, 22, of 1813 Fifth street, Madison, in the 1200 block of Madison avenue.

Both vehicles were towed away. Ponce told Madison police he swerved sharply to the left to avoid a collision with another southbound auto which was pulling away from the curb. Georgia Darnell, 32, of 2501 East 23rd street, complained of injury yesterday at 12:05 a.m. after the car in which she was a passenger was struck by an eastbound auto on Lincoln avenue at the Henry street intersection.

Motorcyclist Hurt

A motorcyclist, Robert Middleton, 31, of 2154 Orville avenue, was treated at St. Elizabeth Hospital on Saturday afternoon for abrasions and a cut to his right hand suffered when his motorcycle spilled on Orville avenue near his home. He swerved to avoid hitting a dog. Middleton, an A. O. Smith Corp. worker, was released after being treated. His 13-year-old son, Michael, who was a passenger on the cycle, escaped injury.

Harold Brooks, 34, of 705 Madison avenue, suffered minor injuries on Thursday when his auto went out of control of U.S. Highway 67A about a half-mile north of U.S. Bypass 66-40, and struck a bridge support. It was reported by state troopers, who said no other vehicle was involved.

Auto, Truck Collide

A St. Louis Pevely Dairy Co. truck, driven by St. Louisan Joseph E. Blanke, 62, and a southbound car on Iowa street, operated by Michael W. Jones, 19, of 3115 Wayne avenue, collided at 28th street Friday at 12:55 p.m.

Weldon Edwards, 48, Sentenced At Hillsboro

Weldon Edwards, 48, formerly of the 1100 block of Reynolds street, Madison, was sentenced to 60 days at the Illinois State Farm in Vandalia last Thursday by Montgomery County Judge William A. Ginos Jr., upon pleading guilty to a charge of possession of dangerous drugs.

Death was apparently from natural causes, and information gathered by authorities indicates he had been under medical treatment recently. An inquest will be conducted by Deputy Coroner Henry Pieper.

Venice police received a call from Harry Lee Smith, 710 Jefferson avenue, who said he had found a man lying in front of Hairston's service station, and believed he was dead. Police dispatched a squad car to the scene and called an ambulance.

After identifying the man by papers found in his clothing, police followed his tracks in the snow to Fourth street and Broadway, where they were observed.

Assistant Police Chief Floyd Jeff said the Granite City police received a call at 9 p.m. yesterday to 2807 1/2 Lincoln street, the home of Edwards' half-sister, Carol Fritts. He said Edwards was there and wanted an ambulance to take him to St. Louis veterans hospital.

An ambulance was called, Jeff said, and police were later informed by the hospital that Edwards had been examined and released, and left by cab. An examining physician advised him to come back later, police were told.

Police said Edwards came to the Fritts home early Sunday morning, and was said to have been carrying about \$350 in cash when he arrived there. The Fritts woman said he told her he had just been released from a hospital. He left and returned Sunday night, still carrying a large sum of money. He had no money when found.

Deputy Coroner Pieper told the Press-Record this morning Edwards had been returned to Piedmont, Mo., his original home, for funeral services and burial.

Manco Flinn, Former Resident, Dies In Calif.

Manco "Koker" Flinn, 50, formerly of Granite City, died yesterday morning at a Los Angeles veterans hospital following a three-month illness. He had lived in California 10 years.

Mr. Flinn was a Granite City resident for 15 years, and was employed at the Granite City Steel Co. His wife, who survives, is the former Miss Margaret Dierker of Granite City.

Other survivors include six brothers and five sisters, including Robert, Charles and Poinexter Flinn, Mrs. Porter Cawly and Mrs. William Henke, all of Granite City.

Funeral arrangements are pending.

No More School Filings

No further issuance or filing of petitions has taken place in the Granite City school district, where one school board candidate filed on the opening day and three other sets of petitions have been given out. Three positions are to be filled April 14. No filings were reported today in Venice.

Auto Leaves Highway

Glenn Warfield, 17, Rural Route One, escaped apparent injury at 1:30 a.m. Saturday when he fell asleep and his auto left Route 162 a mile and a half west of Route 111, the sheriff's office was informed.

Posts Cash Bond

Released on \$16 cash bond yesterday afternoon, was Raymond Graham, 2520 Hodges avenue, who was charged with speeding at 25th street and Madison avenue.

Shaver Meeting Wednesday

An organization meeting for volunteers supporting Russell Shaver for nomination as county superintendent of schools on the Democratic ticket will be held at 7:30 p.m. Wednesday at the YMCA. It was announced today by Ronnie Watson, temporary chairman for the group.

Hits Guard Rail

The right front of a car driven by Lawrence Miller, 26, of St. Louis, was damaged when he struck a guard rail on the west end of McKinley bridge at 3:40 a.m. yesterday. He said he swerved to miss a bottle.

Smoke Scare Today

Firemen went to the Wagon Wheel service station, 3028 Edwardsville road, at 9:30 a.m. today. No loss was reported by firemen who said smoke started pouring from the gas furnace.

Seek Motive, Clues In Killing Of 2 Gangsters

Over 25 persons have been questioned by St. Louis and St. Clair county authorities in the fatal shootings Saturday night of Elmer "Dutch" Dowling, top aide to Gang Boss Frank "Boss" Wortman, and Melvin John Beckman, a lesser Wortman associate. Few if any clues have been reported.

Also a mystery is the reason for the killings, though authorities believe they indicate a challenge to the continued authority of Wortman, convicted with Dowling and Gregory "Red" Moore last week of conspiracy to evade federal income taxes. A younger group reportedly hopes to gain domination of underworld activity in the metropolitan area.

Driverless Car Hits Tree

A Venice woman's car was heavily damaged at 1:10 a.m. yesterday after rolling over a sidewalk into a yard, and hitting a tree. Rose Billicek, 1616 Fourth street, told police she had just parked her car at 420 Market street and got out, apparently leaving it in gear, with the motor running. The car was towed away.

PTA Award To Monken; Hear State President

Approximately 100 heard Mrs. Frances Nelson Fago, president of the Illinois Congress of Parents and Teachers, discuss objectives and principles of the Parent-Teacher Association, during the fourth annual recognition banquet of the Granite City Area PTA Council Thursday evening at the GCHS cafeteria. Ralph Monken was honored with a lifetime membership award.

Mrs. Fago, a resident of Springfield, who will retire from the top state PTA office in April, presented her address in the form of a personal thank you letter, expressing her appreciation for efforts made by each local unit in the state, which, she said, contributes directly to the strength of the 65-year-old national organization.

Reminding her audience that one principle of PTA responsibility is to cooperate with schools, not to operate the

schools, Mrs. Fago said that PTA represents a common meeting place for all parents and teachers, not just a chosen few.

She emphasized the ideals of the organization, which concentrates on the betterment of the child's home, school and spiritual life.

Mrs. Kathleen Tadlock, Area Council president, opened the program and introduced the distinguished guests. Seated with the guest of honor at the speaker's table were School Supt. and Mrs. Harold M. Kaiser; Mrs. V. J. Brazier, state PTA secretary, and her husband, both of Wood River; Mrs. Marvin Roberts, District 29 director, and her daughter, Miss Marlene Roberts of Alhambra; GCHS Principal and Mrs. Lawrence MacCauley; and Mr. and Mrs. Raymond Tadlock.

A smorgasbord was served at dinner tables centered with three hand-made yellow candles, hollowed and delicately entwined with yellow roses. The head table was similarly appointed with a tiered milk glass vase holding a bouquet of yellow roses as its central arrangement.

Highlighting the evening was naming of the person selected as having contributed the most outstanding effort to PTA in the community unit school district during the past year or recent years. Chosen from a group of seven nominees was Monken, of the McKinley school PTA, whose service to the organization began many years ago.

The 1962 recipient of a life membership award and gold pin has held numerous offices in his PTA unit and the area council while still maintaining several positions in the affairs of his church.

Others nominated and presented with certificates of appreciation were Mrs. Charlotte Thompson, Coolidge and Prohart schools; Mrs. Beatrice Kyle, Nameoek; Mrs. Lucile Caban, Lake; Mrs. Tadlock, Marshall; Mrs. Eva Meier, Logan principal; and Mrs. Helen Sar-

agato, Webster. Mrs. Ida Hanfelder, 1961 award winner and chairman of the nominating committee, presented the awards, assisted by Homer Johnson and Vasil Georgoff.

Entertainment was provided by the high school vocal group under the direction of Warren Simpkins, with the audience treated to a "cocktail preview" of excerpts from the upcoming musical, "The Boy Friend", to be performed by the ensemble March 29 and March 31. Departing from the usual type of operetta performance by high school groups, the recent Broadway production was enthusiastically received by the audience.

In addition, a 40-voice advance chorus presented a selection of three songs, "O Lord In Heaven", "I May Never Pass This Way Again" and "In The Still Of The Night". Mrs. Tadlock reminded area council members that at the next regular council session in March, the program scheduled is "Principals and School Administrators View The PTA."

August Huebner, 62, Buried Saturday

August J. Huebner, 62, of 1116 Johnson road, died of a heart attack at 1:30 p.m. Thursday at the home of a daughter, Mrs. Robert (Lorena) James, 2332 Wayne avenue. He had been ill since the previous Monday.

He held badge No. 1 at the Community Coach Co., where he was a driver for 29 years. He was a member of the Brotherhood of Railroad Trainmen.

He is survived by two daughters, Mrs. Richard (Betty) Schmidt of Edwardsville and Mrs. Robert (Lorena) James of Granite City. Other survivors are two sons, Melvin and Robert of Granite City, two brothers, Frederick and Leonard, of Granite City, and 15 grandchildren. His wife, Verna, died in 1938.

Born in Orlensburg, Ill., Mr. Huebner was a lifelong resident of the Granite City area. Services were held at the First Assembly of God Tabernacle at 1:30 p.m. Saturday. Other information will be found in the obituary column.

Two Taverns Remain Closed; Hearings Reset

Hearings for two taverns in the local area were postponed until next Thursday by the county liquor control board during a meeting Friday morning at the court house in Edwardsville.

The new date was set by County Liquor Commissioner Gus Haller, who said the Irish Inn on Chouteau Slough road and the Star Dust Club (formerly Bella Vista) on Route 3 near Mitchell would remain closed. The hearings are to be conducted on complaints of reported liquor sales to minors received at the sheriff's office.

Deputies closed both taverns last Wednesday afternoon, and at Friday's hearings, the operators were instructed to file applications for 1962 county liquor licenses, before next Thursday's hearing, if they plan to continue in business. The license applications were due last Jan. 1.

Ticket Sales Good, Madison Lions Hold

Co-chairman Larry Palles and Dr. Steve Geroff of the Madison Lions club pancake "brunch" ticket sales committee reported at the club's regular weekly meeting Thursday night that ticket sales are going very well.

A goal of 1000 tickets sold was set by the club at a preliminary meeting. The "brunch" is scheduled for Sunday, April 8, at the Madison Memorial Center, and is to run from 7 a. m. to 1 p. m.

Chairman Paul Lunsford of the eyeglasses-for-children project announced that three Madison youngsters have been supplied with eyeglasses by the club.

Other discussion concerned plans for the annual July 4th celebration, a Khoury League presentation to be held soon, and a planned visit with the Madison club on March 29 by Lions District Gov. Al Hodgson of Waverly.

Madison School Called, Checked By Bomb Team

A bomb disposal team from the Engineer Depot inspected Madison high school after a bomb warning was received by telephone by a secretary at the school at 1:45 p.m. The caller was a young girl, who said there was a bomb in the school set to go off that afternoon.

Police were informed and notified the Depot, school board, firemen and federal authorities. Students were not evacuated.

David Bruce Maxton, Pastor

Burnett Chairman of Salvation Army Board

Eugene R. Burnett was elected chairman of the advisory board of the local Salvation Army post during the board's annual meeting here Thursday night.

Burnett had been serving in that capacity since the death last year of Scott E. Thompson, the elected chairman. Burnett was vice-chairman in 1961, a position to which Harry Johnson was elected Thursday night.

Other officers elected included Roy Lynn, treasurer; and Arthur Harris, who was re-elected secretary. Frank Rea was elected to a three year term on the board, filling the vacancy left by Thompson's death. Rea is the son-in-law of the late board member.

Board members who were re-elected to three-year terms included Albert Michel, Albert Belt, Harry Ebe, Arthur Frazier, Henry D. Karandjoff, George Stearns, C. E. Townsend and Albert Ward Jr.

A brief resume of the 1961 annual report was given by local Salvation Army post Commander, Capt. Mildred Walker.

Board members and guests were welcomed to the annual meeting by Burnett. It was emphasized while the Salvation Army does not plan any organized building fund drive in immediate future, a need does exist for new facilities and financial gifts will be accepted by the post.

Guest speaker Thursday was Rev. Paul Evans, pastor of First Assembly of God Church, who welcomed the Salvation Army and its service to the community. Entertainment was provided by a girls' choral group from Madison high school under the direction of Mrs. Valerie Stephens.

The board's next meeting will be held late in May, probably during national "Salvation Army Week."

Venice-Madison Sewer Bid Opening Tonight

Sealed bids on a proposed sanitary trunk sewer line extending from the intersection of Col. Insville and Madison avenues in Venice to Eighth street and Washington avenue in Madison will be opened at a special meeting of the board of trustees of the East Side Levee & Sanitary District at 7:30 tonight in East St. Louis.

Levee district engineers have estimated the cost of the project at \$385,188. It is one of 10 projects to be financed through the sale of \$1,835,000 in general obligation bonds, now being completed by C. C. Allyn Co. & Associates, Chicago investment firms.

A contract will be let tonight if suitable bids are received, Levee Board Clerk Ben F. Day said.

Bob Holt To MC GC Police Dance

KMOX radio's "Man of a Thousand Voices," Bob Holt, will be the master of ceremonies at the first annual Granite City Police Union, Local 1347, dance Friday, March 16, at 9 p.m. in the Venice-Madison American Legion Hall. Open to the public, admission to the dance is \$1 per person and tickets may be obtained from any Granite City policeman.

Music will be provided by an orchestra from Edwardsville.
